COMP7506 Smart Phone Apps Development

Course Grade Descriptors

Course Grade	Assessment Items and Descriptions	
	Group Project	Final Examination
A	Exceptionally good performance demonstrating a superior understanding of mobile app development tools and programming techniques, a skillful use of concepts in the mobile app development process, and ability to analyze and evaluate apps developed.	Exceptionally good performance demonstrating a superior understanding of mobile app development concepts, a foundation of extensive knowledge, a skillful use of concepts under different situations, and ability to analyze and evaluate problems.
B	Good performance demonstrating capacity to use the appropriate mobile app development tools, a good understanding of programming techniques and tools, and an ability to handle the problems encountered in the app development process.	Good performance demonstrating capacity to use the appropriate mobile app development concepts, and an ability to handle the problems encountered under different situations.
C	Adequate performance demonstrating an adequate understanding of mobile app development tools, an ability to develop relatively simple apps, and adequate preparation for moving on to more advanced mobile app projects.	Adequate performance demonstrating an adequate understanding of mobile app development concepts, an ability to handle relatively simple problems, and adequate preparation for moving on to more advanced topics in mobile app development.
D	Minimally acceptable performance demonstrating at least partial familiarity with the mobile app development tools and some capacity to develop relatively simple mobile apps, but also demonstrating deficiencies serious enough to make it inadvisable to proceed further in mobile app development without additional work.	Minimally acceptable performance demonstrating at least partial familiarity with the mobile app development concepts and some capacity to deal with relatively simple problems, but also demonstrating deficiencies serious enough to make it inadvisable to proceed further in the mobile app field without additional work.
F	Unacceptable performance demonstrating unfamiliarity with the mobile app development tools, and lack of capacity to develop relatively simple mobile apps.	Unacceptable performance demonstrating unfamiliarity with the mobile app development concepts, and lack of capacity to deal with relatively simple problems, and also demonstrating deficiencies series enough to make it advisable to retake the course.
